Practical Nursing

The Nightingale Pledge

I solemnly pledge myself before God and in the presence of this assembly to live my life with integrity and practice my profession faithfully.

I will abstain from whatever is harmful and will not knowingly administer any harmful drug.

I will do all in my power to elevate the standards of my profession and will hold in confidence all personal matters committed to my keeping, and all family affairs coming to my knowledge in the practice of my profession.

I will devote myself to the welfare of those committed to my care and commit myself to meet the challenges of the nursing profession.
